Our state festival, Bathukamma was celebrated in the college as one of the IQAC activities on 13/10/2021. All the students and faculty members participated enthusiastically in the event. The non teaching staff of the college collected different types of flowers like Thangedu, gunugu, chamanthi, banthi, mandara and decorated Bathukamma beautifully. After making bathukammas all the staff and students danced traditionally for bathukamma songs. The students enjoyed these celebrations and proved the importance of the festival in Telangana culture.

All the students were dressed up traditionally. After the pooja the prasadam was distributed to all, it became a very big and joyful celebration in the college premises. At the end of the program few girls and staff immersed (nimarjjan) the Bathukamma in the water with the prayer. Singing Competitions including Folk Songs and preparations of Bathukamma competition were also conducted and winners were awarded.

## International Yoga Day 2019

Yoga is an ancient physical, mental, and spiritual practice that is said to have originated in India. The word “Yoga” derived from Sanskrit root ‘Yuj’, meaning ‘to join’ or ‘to yoke’ or ‘to unite’ symbolizing the union of the body and consciousness. Historical evidence suggests that Yoga has its origins from the Indus Valley Civilisation. It is believed to have been in practice since age immemorial and it has been mentioned in several ancient sacred Indian scriptures. According to popular belief, a Sage named Patanjali, is the Father of Yoga. It is said that Yoga’s incorporation of meditation and breathing, can help improve a person’s mental well being . In the words of renowned Pulmonologist, Dr.Nevins Kishore:

Yoga increases the body awareness, relieves chronic stress patterns, relaxes the mind ; centers attention and sharpens the concentration “. The International Yoga day aims to spread the awareness of the benefits of practicing yoga worldwide.
