Perspective Plan	Strategy for Implementation
	- Foster interdisciplinary collaboration among faculty and students across different centers.
<b>Strengthen Global Collaborations</b>	- Forge strategic partnerships with international universities and research institutions for joint initiatives. - Facilitate student and faculty exchange programs to promote cross-cultural learning and research collaborations. - Organize international conferences, seminars, and workshops.
<b>Promote Entrepreneurship</b>	- Establish an Innovation and Entrepreneurship Center to nurture startup ventures and commercialize research. - Provide seed funding, mentorship, and networking opportunities to aspiring student entrepreneurs. - Collaborate with industry partners and venture capitalists to facilitate investment and growth.

These strategies will be implemented through a coordinated effort involving various stakeholders including the Research Committee, Management, Academic Department, Finance Department, Industry Relations Office, HR Department, International Relations Office, and Entrepreneurship Center. By executing these strategies, RBVRR Women's College of Pharmacy (RBVRRWCP) aims to achieve its short-term and long-term institutional perspective plans, driving forward its mission of academic excellence, research innovation, and societal impact.
