RBVRR Women’s College of Pharmacy, was established in the year 2006 under Hyderabad Mahila Vidya Sangham to provide education to women students. The college have spacious class rooms, well equipped laboratories with latest equipment, seminar hall, conference room, computer lab and library.

**About College**

RBVRR Women's College of Pharmacy, was established in the year 2006 under Hyderabad Mahila Vidya Sangham to provide education to women students. The college have spacious class rooms, well equipped laboratories with latest equipment, seminar hall, conference room, computer lab and library.

**Vision:** To be a national women pharmacy professional leader in transforming lives through an innovative, rigorous and compassionate approach to Pharma education.

**Mission:** RBVRRWCP inspires, prepares and empowers girl students to succeed in a changing world apart from regular curriculum.

**About the Programme:**

A teacher plays vital role in student career as well life. As per current advancement of technology in all the fields, the teacher has to update his/her knowledge to model the student to lead better life. The upgradation programmes have to be conducted as part of providing quality education. The faculty development programme is one of the upgradation program to help the students to understand the concept in the class room. So, we are herewith conducting this program by inviting eminent personalities from different fields to motivate and make the teacher thorough with some of the topics which need more knowledge to teach the students.

**Objective of the Programme:**

To be able to implement new techniques in teaching at their respective colleges.
To be able to upgrade practical as well as theory knowledge in latest processes as part of drug development.
To be able to know the status of pharmacy practice in India.
