PRINCIPAL'S MESSAGE

Greetings from RBVRR Women's College of Pharmacy!!

It gives me immense pleasure and a sense of pride to mention that our college has crossed major milestones in its journey Certification with 4 star from Ministry of Education as "Institute Innovation Council" Govt. of India, "Inclusion of the college under Section 2(f) of the UGC Act 1956", Recognition as "Adverse Drug Reactions Monitoring Centre (AMC) under PvPI." and as Research center by Osmania University. It has been a primary endeavor of our institution to prepare the girl students to acquire professional competencies in multiple domains of pharmaceutical sector and prepare them to be industry ready. The college provides an excellent ambience and learning environment equipped with necessary infrastructure, learning resources like well equipped laboratories, digital class rooms and with a good number of textbooks, reference books including digital library.

Women are indispensable for the progress of any nation as they play a vital role towards achievement of transformational, economical and sustainable development.

To empower women, should enable them to exercise control over the decisions that affect their lives both inside and outside the house. Through their empowerment, women can have major share of control over resources and it gives them the power of decision making in the home, community, society and nation. I am extremely proud of being a woman.

Holistic education, all round development and multidimensional thinking are the hallmarks of our education system as we strongly believe that education should enable and explore the powers of human mind and spirit.

We believe in providing our students an environment, rich in knowledge and supportive for their co-curricular and extra-curricular interests.

The college has a tradition of excelling in sports and extracurricular activities, in which our students continue to bring us laurels and various other student centric activities undertaken ,enrich them physically, mentally, socially and intellectually. The success in all spheres is the combined outcome of all our little efforts.

I feel proud to acknowledge the contribution of highly qualified, dynamic and talented faculty in completion of the syllabus and making the students to understand the concepts of the subject by indulging both offline and online modes of teaching. Our faculty members supporting the students in providing them high quality education by assigning them seminars, assignments, group discussions on latest technology, and inculcating motivation in participation in co-curricular and extra-curricular activities. Eminent personalities are invited from all walks of life to address our students and expose them to new ideas and thoughts.

“LEARNING GIVES CREATIVITY. CREATIVITY LEADS TO THINKING. THINKING PROVIDES KNOWLEDGE. KNOWLEDGE MAKES YOU GREAT.”

---DR. APJ ABDUL KALAM

MY BEST WISHES TO THE NEW STUDENTS OF THIS COLLEGE.

SECRETARY'S MESSAGE

Greetings from RBVRR Women's College of Pharmacy!!

RBVRR Women's College of Pharmacy managed by The Hyderabad Mahila Vidya Sangham (HMVS), a Non Profit Organization which has a history of 93 long years of service in Women Education. HMVS believes in imparting quality education based on ethics. RBVRR Women's College of Pharmacy was established in 2006, and successfully completed (17 years) in its service.

The primary endeavor of the institution is to nurture the students to be industry ready and prepare them to become best pharmaceutical professionals. I am happy to note that RBVRR Women's College of Pharmacy is following the ideals of integrated learning by giving opportunities to students to develop their personality through different extracurricular activities. It gives me immense pleasure to note that the college is steadily achieving greater heights. This has been possible largely due to dynamic leadership of Prof. M. Sumakanth, the Principal and dedicated teachers of the college.

It's my pleasure and privilege to extend a warm and affectionate welcome to all the students, who have chosen the college to pursue their degree, into the family of RBVRR Women's College of Pharmacy.

-Prof. K. Mutyam Reddy

EDITORIAL BOARD MESSAGE

Dear Reader,

The editorial committee on behalf of RBVRR Women's College of Pharmacy takes the humble privilege in releasing our newsletter-SUDITHI-2K23, Volume 3, Issue 1.
