2022-23

CIRCULAR

This is to inform all students that we have a session on "Professional Integrity and personality development" by Prof.V.Viswanathan, (Rtd), OU, Hyderabad on 6th Dec 2022 at 11:00 am Through Zoom meeting. Hence all the students are hereby informed to attend the session and utilise the opportunity without fail.

Report:

Topic: Professional Integrity and personality development

Date: 6th Dec 2022 at 11:00 am

Speaker: Prof.V.Viswanathan, OU, Hyderabad

A session on " Professional Integrity and personality development " was held on : 6th Dec 2022 at 11:00 am at RBVRR Women's college of Pharmacy was an enlightening experience for the students pursuing Pharmacy. Prof.V.Viswanathan shared his valuable knowledge and gave some insights to students to develop good Professional skills. He also focussed that Professional integrity encompasses honesty, ethics, and adherence to moral principles in one's professional conduct. It involves consistently aligning actions with ethical standards, maintaining transparency, and upholding the trust of colleagues, clients, and stakeholders. He also said in the context of personality development, cultivating professional integrity is vital. It not only shapes an individual's reputation but also fosters trust and credibility, essential components of effective interpersonal relationships and leadership. Embracing professional integrity fosters a sense of responsibility and accountability, encouraging individuals to make ethical decisions even in challenging situations. Furthermore, professional integrity contributes to personal growth and development by promoting self-awareness and introspection. It encourages individuals to reflect on their values, beliefs, and behaviors, fostering a deeper understanding of themselves and their impact on others.

In summary, professional integrity is a cornerstone of personality development, guiding individuals to uphold ethical standards, build meaningful relationships, and strive for excellence in their professional endeavors. By embodying integrity, individuals not only enhance their personal reputation but also contribute to a positive and ethical work culture. The session was ended with vote of thanks.

CIRCULAR

This is to inform all students that we have a session on "Enhancing self confidence" by Supriya Gahlot Transformational speaker, Life & Success Coach, Hyderabad at seminar hall mode on 9th Dec 2022. Hence all the students are hereby informed to attend the session and utilise the opportunity without fail.

Report:

Topic: Enhancing self confidence

Date 9th Dec, 2022

Speaker: Supriya Gahlot Transformational speaker, Life & Success Coach

A session on " Enhancing self confidence " was held on 9 th Dec, 2022 at RBVRR Women's college of Pharmacy through online mode. The speaker focussed mainly on Enhancing self-confidence which involves a multifaceted approach aimed at building a positive self-perception and belief in one's abilities. Firstly, setting achievable goals and breaking them down into smaller tasks can provide a sense of accomplishment, gradually boosting confidence. Additionally, embracing failures as learning opportunities rather than setbacks helps to develop resilience and self-assurance.

Self-awareness is key; understanding strengths and weaknesses allows individuals to leverage their abilities effectively while working on areas for improvement. Positive self-talk and affirmations can counter negative thoughts and build a more optimistic mindset.

Seeking feedback and constructive criticism from trusted sources enables individuals to identify blind spots and refine their skills, reinforcing confidence in their capabilities.

Engaging in activities that align with personal interests and passions fosters a sense of fulfilment and competence, further bolstering confidence.

Finally, stepping out of comfort zones and facing fears gradually expands comfort levels and cultivates courage, leading to greater self-confidence over time.

In essence, enhancing self-confidence is an ongoing journey that involves self-awareness, resilience, continuous learning, and a positive mindset, ultimately empowering individuals to navigate challenges with assurance and assertiveness. The session was ended with vote of thanks.

CIRCULAR

This is to inform all students that we have a session on "Importance of soft skills" by Mrs. P. Swathi Psychologist on 6th Jan 2022 at 11:00 am at seminar hall. Hence all the students are hereby informed to attend the session and utilise the opportunity without fail.

Report:

Topic: Importance of soft skills

Date: 6th Jan 2022 at 11:00 am

Speaker: Mrs. P. Swathi Psychologist

Soft skills are increasingly recognized as crucial assets in both personal and professional life. When P. Swathi, a psychologist, discussed the importance of soft skills, she emphasized how they complement technical expertise and contribute to overall success and well-being. Effective communication skills are fundamental in building relationships, resolving conflicts, and conveying ideas clearly. Swathi stressed the significance of active listening, empathy, and assertiveness in fostering healthy interactions. She added that developing strong interpersonal skills enables individuals to collaborate effectively in teams, manage diverse personalities, and build rapport with others. She also highlighted the importance of teamwork, adaptability, and cultural sensitivity in fostering positive relationships.

She also discussed the components of emotional intelligence, such as self-awareness, self-regulation, empathy, and social skills, and how they contribute to resilience, decision-making, and leadership. Soft skills like problem-solving and critical thinking empower individuals to analyse complex situations, generate innovative solutions, and make informed decisions.

She said the value of creativity, resourcefulness, and analytical thinking in overcoming challenges and driving progress. In today's rapidly changing world, the ability to adapt to new situations, learn from failures, and bounce back from setbacks is essential. Soft skills not only enhance job performance and career prospects but also contribute to overall well-being and fulfilment.

By highlighting the importance of soft skills, P. Swathi aims to empower individuals to cultivate these qualities and integrate them into their personal and professional lives, ultimately fostering success, satisfaction, and resilience.

CIRCULAR

This is to inform all students that we have a session on “How to develop soft skills” by Prof. V. Viswanathan Retd. Professor Osmania University on 5th Jan 2022 at 2 PM at seminar hall. Hence all the students are hereby informed to attend the session and utilise the opportunity without fail.

Report:

Topic: How to develop soft skills

Date: 5th Jan 2022 at 2 PM

Speaker: Prof. V. Viswanathan Retd. Professor Osmania University

Prof. Viswanathan emphasized the importance of self-awareness as the first step in developing soft skills. This involves understanding one's strengths, weaknesses, values, and personality traits. Techniques such as self-reflection, personality assessments, and feedback from others can aid in enhancing self-awareness. He also stressed the need for lifelong learning to develop and improve soft skills which could involve attending workshops, seminars, and training programs focused on communication, leadership, emotional intelligence, and other relevant areas. Additionally, reading books, watching online tutorials, and seeking mentorship can facilitate skill development.

Prof. Viswanathan highlighted the importance of practice in honing soft skills. Encouraging individuals to actively engage in real-life situations, such as participating in group discussions, delivering presentations, and handling conflicts, allows for practical application and refinement of skills.

Prof. Viswanathan emphasised the significance of effective communication skills in various contexts. This includes verbal and nonverbal communication, active listening, clarity of expression, and adapting communication style to different audiences. Role-playing exercises, public speaking opportunities, and communication workshops can aid in skill enhancement. By providing guidance on developing soft skills, Prof. V. Viswanathan aimed to empower individuals to enhance their interpersonal effectiveness, leadership abilities, and overall professional success.

2020-21

CIRCULAR

This is to inform all students that we have a session on "Personality development and Entrepreneur Skills" by Prof.V. Viswanathan, (Rtd), OU, Hyderabad on 31st Dec 2020 at 11:00 am Through Zoom meeting. Hence all the students are hereby informed to attend the session and utilise the opportunity without fail.

Report:

Topic: Personality development and entrepreneurship skills

Date: 31st Dec 2020 at 11:00 am

Speaker: Prof.V.Viswanathan, OU, Hyderabad

A session on " Personality development and entrepreneurship skills " was held on 31st Dec 2020 at RBVRR Women's college of Pharmacy was an enlightening experience for the students pursuing Pharmacy. Prof.V.Viswanathan shared his valuable knowledge and gave some insights to students to develop good Professional skills. He also focussed on importance of these skills in the current competitive world. He also explained tips to improve their skills by quoting various examples. This session was conducted through online mode due to ongoing COVID pandemic. Sir has focussed mainly on entrepreneurship skills which are necessary to students.

The seminar also included an interactive session where students had the opportunity to pose questions and seek advice from the experienced speaker. This segment of participative learning allowed for a more personalized learning experience. This event served as a bridge between academic learning and real-world application, preparing students for a promising future in the pharmaceutical sector. The session was ended with vote of thanks.

CIRCULAR

This is to inform all students that we have a session on "Soft Skills and stress management" by Dr.P.Swathi, Head, Dept. of Psychology, College,OU, Hyderabad through online mode on 6th Jan 2021 at 2 PM . Hence all the students are hereby informed to attend the session and utilise the opportunity without fail.

Report:

Topic: Soft Skills and stress management

Date: 6th Jan 2021 at 2 PM

Speaker: Dr. P. Swathi, Head, Dept. of Psychology, College, OU, Hyderabad

A session on " Soft Skills and stress management " was held on 6th Jan 2021 at RBVRR Women's college of Pharmacy through online mode. Dr. Swathi focussed mainly on various soft skills which a student should focus to develop to sustain in current competitive world. She also focussed on stress management skills which are much needed in current scenario of COVID Pandemic.

The seminar also included an interactive session where students had the opportunity to pose questions and seek advice from the experienced speaker. This segment of participative learning allowed for a more personalized learning experience. This event served as a bridge between academic learning and real-world application, preparing students for a promising future in the pharmaceutical sector. The session was ended with vote of thanks.

CIRCULAR

This is to inform all students that we have a session on "How to develop good professional skills" by Prof.V.Viswanathan, (Rtd), OU, Hyderabad on 4th Sep 2019 at 11:00 am at Seminar hall. Hence all the students are hereby informed to attend the session and utilise the opportunity without fail.

Report:

Topic: How to develop good professional skills

Date: 4th Sep 2019 at 11:00 am

Speaker: Prof.V. Viswanathan, OU, Hyderabad

A session on " How to develop good professional skills " was held on 4th Sep 2019 at RBVRR Women's college of Pharmacy was an enlightening experience for the students pursuing Pharmacy. Prof.V. Viswanathan shared his valuable knowledge and gave some insights to students to develop good Professional skills. He also focussed on importance of these skills in the current competitive world. He also explained tips to improve their skills by quoting various examples.

The seminar also included an interactive session where students had the opportunity to pose questions and seek advice from the experienced speaker. This segment of participative learning allowed for a more personalized learning experience. This event served as a bridge between academic learning and real-world application, preparing students for a promising future in the pharmaceutical sector. The session was ended with vote of thanks.

CIRCULAR

This is to inform all students that we have a session on "Personality Development Skills" by B.V.Pattabhiram on 11th Sep 2019 at 11:00 am at Seminar hall. Hence all the students are hereby informed to attend the session and utilise the opportunity without fail.

Report:

Topic: Personality Development Skills

Date: 11th Sep 2019 at 11:00 am

Speaker: B.V.Pattabhiram

A session on " Personality skills " was held on 11th Sep 2019 at RBVRR Women's college of Pharmacy was a fun and enthusiastic experience for the students pursuing Pharmacy. B.V.Pattabhiram shared his experiences with students. He focussed mainly on the personality development skills specially required for students. His session was very informative and students also enjoyed listening to him. He also added improving personality skills improves communication.

The seminar also included an interactive session where students had the opportunity to pose questions and seek advice from the experienced speaker. This segment of participative learning allowed for a more personalized learning experience. This event served as a bridge between academic learning and real-world application, preparing students for a promising future in the pharmaceutical sector. The session was ended with vote of thanks.

CIRCULAR

This is to inform all students that we have a session on "Personality Development and Soft Skills" by Prof.V.Viswanathan, (Rtd), OU, Hyderabad on 22nd Aug 2018 at 11:00 am at Seminar hall. Hence all the students are hereby informed to attend the session and utilise the opportunity without fail.

Report:

Topic: Personality Development and Soft Skills

Date: 22nd Aug 2018 at 11:00 am

Speaker: Prof.V.Viswanathan, OU, Hyderabad

A session on " Personality development and soft skills " was held on 22nd Aug 2018 at RBVRR Women's college of Pharmacy was an enlightening experience for the students pursuing Pharmacy. Prof.V.Viswanathan shared his valuable knowledge and gave some insights to students to develop good personality. He also focussed on importance of soft skills in the current competitive world.

The seminar also included an interactive session where students had the opportunity to pose questions and seek advice from the experienced speaker. This segment of participative learning allowed for a more personalized learning experience. This event served as a bridge between academic learning and real-world application, preparing students for a promising future in the pharmaceutical sector. The session was ended with vote of thanks.

CIRCULAR

This is to inform all students that we have an online session on "Communication and speaking skills" by P. Anuradha Reddy Retd. Professor Osmania University. on 7th Dec 2022 at 11 AM. Hence all the students are hereby informed to attend the session and utilise the opportunity without fail.

Report:

Topic: Communication and speaking skills

Date: 7th Dec 2022 at 11:00 am

Speaker: P. Anuradha Reddy Retd. Professor Osmania University

A session on " Communication and speaking skills " was held on 7th Dec 2022 at RBVRR Women's college of Pharmacy was a practical experience for the students pursuing Pharmacy. Communication and speaking skills are essential competencies for effective interpersonal interactions and professional success. Firstly, clarity and articulation are paramount; conveying thoughts and ideas concisely and coherently enhances understanding and engagement. Additionally, active listening plays a crucial role in communication; attentively understanding others' perspectives fosters empathy and collaboration.

Moreover, non-verbal communication, including body language and facial expressions, significantly impacts message delivery and reception. Being mindful of these cues enhances communication effectiveness. Furthermore, adaptability in communication style is vital; tailoring communication based on the audience, context, and medium ensures messages resonate effectively across diverse settings.

Public speaking skills are particularly valuable, enabling individuals to convey messages confidently and persuasively to larger audiences. Techniques such as effective storytelling, engaging visuals, and vocal modulation captivate listeners and convey messages with impact.

Practice and feedback are key components of honing communication and speaking skills. Regular opportunities to speak publicly, engage in group discussions, and receive constructive criticism facilitate skill development and confidence-building.

In summary, strong communication and speaking skills empower individuals to convey ideas persuasively, foster meaningful connections, and navigate various social and professional situations with confidence and effectiveness. Continued practice and refinement of these skills are essential for personal and professional growth. The session was ended with vote of thanks.

CIRCULAR

This is to inform all students that we have a session on “How to develop communication skills” by Dr. Konda Nageswahwar, Dept of English, Osmania University on 12th Dec, 2022 at 2 PM at seminar hall. Hence all the students are hereby informed to attend the session and utilise the opportunity without fail.

Report:

Topic: How to develop communication skills

Speaker: Dr. Konda Nageswahwar, Dept of English, Osmania University

Date and Time: 12th Dec, 2022 at 2 PM

To develop communication skills, consider the following steps:

1. Active Listening: Practice active listening by focusing on what others are saying without interrupting. Pay attention to both verbal and non-verbal cues to fully understand the message.
2. Non-Verbal Communication: Be mindful of your body language, facial expressions, and tone of voice. Maintain eye contact, use open gestures, and ensure your tone matches the message you're conveying.
3. Empathy: Develop empathy by putting yourself in others' shoes and trying to understand their perspectives and emotions. This fosters better understanding and rapport in communication.
4. Clarity and Conciseness: Work on expressing your thoughts clearly and concisely. Organize your ideas before speaking, use simple language, and avoid jargon to ensure your message is easily understood.
5. Feedback: Seek feedback from others on your communication style. Constructive criticism can help you identify areas for improvement and refine your skills.
6. Public Speaking Practice: Engage in activities like public speaking, presentations, or joining speaking clubs to build confidence and proficiency in addressing larger audiences.
7. Reading and Vocabulary: Expand your vocabulary and language skills by reading books, articles, and other written materials. This enhances your ability to articulate ideas effectively.
8. Role-Playing: Practice communication scenarios through role-playing with friends or colleagues. This helps you become comfortable in different situations and refine your approach.

9. Seek Learning Opportunities: Attend workshops, seminars, or training sessions on communication skills to learn new techniques and strategies.

10. Patience and Persistence: Developing strong communication skills takes time and practice. Be patient with yourself, celebrate progress, and continue working on improvement consistently.

By incorporating these strategies into your daily routine and actively practicing them, you can enhance your communication skills and become a more effective communicator in various personal and professional settings. The session was ended with vote of thanks.

2021-22

CIRCULAR

This is to inform all students that we have an online session on "Communication and speaking skills" by P. Anuradha Reddy Retd. Professor Osmania University on 4th Jan 2022 at 11 AM at seminar hall. Hence all the students are hereby informed to attend the session and utilise the opportunity without fail.

Report:

Topic: Communication and speaking skills"

Date: 4th Jan 2022 at 11:00 am

Speaker: P. Anuradha Reddy Retd. Professor Osmania University

Prof. Anuradha Reddy began her talk by emphasizing the critical role that communication skills play in personal and professional success. Effective communication is essential for conveying ideas, building relationships, resolving conflicts, and achieving goals in various contexts. She discussed the components of verbal communication, including clarity, conciseness, and coherence. She offered tips on articulating thoughts clearly, using appropriate vocabulary, and organizing ideas logically to enhance comprehension and engagement. Prof. Anuradha Reddy highlighted the significance of nonverbal cues such as body language, facial expressions, and tone of voice in conveying messages effectively. She also provided insights into the impact of nonverbal communication on perceptions, credibility, and rapport-building.

She stressed the importance of active listening as a fundamental aspect of effective communication. This involves giving full attention to the speaker, demonstrating empathy, asking clarifying questions, and providing feedback to ensure mutual understanding.

She also offered guidance on developing confidence and competence in public speaking. This could include techniques for overcoming stage fright, structuring presentations, using visual aids effectively, and engaging the audience through storytelling and humour.

By elaborating on communication and speaking skills, Prof. Anuradha Reddy aimed to equip individuals with the knowledge, tools, and confidence to communicate effectively in various personal and professional settings, ultimately enhancing their overall effectiveness and success.

CIRCULAR

This is to inform all students that we have a session on "Effective ways of communication" by Prof. Sumita Roy Retd. Professor Osmania University on 7th Jan 2022 at 2 PM at seminar hall. Hence all the students are hereby informed to attend the session and utilise the opportunity without fail.

Report:

Topic: Effective ways of communication" by

Date: 7th Jan 2022 at 2PM

Speaker: Prof. Sumita Roy Retd. Professor Osmania University

Prof. Sumita Roy said that effective communication requires clarity in conveying your message. Use simple and understandable language, avoiding jargon or complex terminology unless necessary. Keep your message concise, focusing on the key points to avoid confusion. Non-verbal cues such as facial expressions, gestures, and body language play a significant role in communication. Maintain eye contact, use appropriate gestures, and ensure your body language is open and inviting to encourage effective communication. She also discussed the importance of cultural sensitivity in communication, especially in diverse environments. Understanding cultural norms, customs, and communication styles helps avoid misunderstandings and promotes inclusivity. She highlighted the role of emotional intelligence in effective communication. Being aware of one's emotions and those of others, as well as managing them effectively, enhances interpersonal interactions and decision-making.

Finally she added that lifelong learning and self-reflection is required to enhance communication skills. Seeking opportunities for professional development and soliciting constructive feedback enable individuals to continually refine their communication abilities.

By using her expertise and experience as a retired professor from Osmania University she enriched these points with practical examples, case studies, and further nuances specific to various communication contexts.

CIRCULAR

This is to inform all students that we have a session on "Virtual English Language (Communication Skills) Lab Software Practice– For Pharmacy Students by Prof. Manju Makhija, Director DSD Bureau for Health & Education Status upliftment on 19th April 2021 at 2 PM through online mode. Hence all the students are hereby informed to attend the session and utilise the opportunity without fail.

Report:

Topic: Virtual English Language (Communication Skills) Lab Software Practice– For Pharmacy Students

Date: 19th April 2021 at 2PM

Speaker: Prof. Manju Makhija, Director DSD Bureau for Health & Education Status upliftment

This session of virtual English language lab software practice was organised in association with Bureau for Health & Education Status upliftment was very useful session for students. This session focussed mainly on communication skills. Speaker Prof Manju focussed mainly on communication skills software which can be used by students to improve their communication. This session was majorly helpful for students who want to pursue their career abroad

The seminar also included an interactive session where students had the opportunity to pose questions and seek advice from the experienced speaker. Students who were weak in speaking have asked tips for improving their language and also writing in English. This event served as a bridge between academic learning and real-world application, preparing students for building good communication skills. The session was ended with vote of thanks.

CIRCULAR

This is to inform all students that we have an online session on "Use of effective English during speaking" by Dr. Thati Konda Venkat Rajaiah, Sr. Prof. of English (Rtd), Univ. College of Technology, Osmania University, Hyderabad. on 5th Jan 2021 at 11 AM. Hence all the students are hereby informed to attend the session and utilise the opportunity without fail.

Report:

Topic: Use of effective English during speaking

Date: 5th Jan 2021 at 11:00 am

Speaker: Dr. Thati Konda Venkat Rajaiah, Sr. Prof. of English (Rtd), Univ. College of Technology, Osmania University, Hyderabad.

A session on " Use of effective English while speaking" was held on 5th Jan 2021 at RBVRR Women's college of Pharmacy was a practical experience for the students pursuing Pharmacy. Dr. Rajaiah gave the importance of communication and shared some tips to express one's views with good communication. He made the students to express their views by conducting small talk sessions with students which made them to improve their skills. He spoke about use of simple English which will help them to improve their communication. This session was helpful for students to improve themselves and prepare for interviews.

The seminar also included an interactive session where students had the opportunity to pose questions and seek advice from the experienced speaker. This event served as a bridge between academic learning and real-world application, preparing students for building good communication skills. The session was ended with vote of thanks.

2019-20

CIRCULAR

This is to inform all B. Pharmacy and Pharm D students that we have a session on "Communication skills and techniques" by Dr. Smitha Roy, Former head, Dept of English, O U on 7th Sep 2019 at 11:00 am at Seminar Hall. Hence all the students are hereby informed to attend the session and utilise the opportunity without fail.

Report:

Topic: Communication skills

Date: 7th Sep 2019 at 11:00 am

Speaker Dr. Smitha Roy, Former head, Dept of English, O U

A session on " Communication Skills" was held on 7th Sep 2019 at RBVRR Women's college of Pharmacy was a practical experience for the students pursuing Pharmacy. Dr. Smitha Roy gave the importance of communication and shared some tips to express one's views with good communication. She made the students to express their views by conducting small talk sessions with students which made them to improve their skills. She also organised JAM sessions and group discussions with students to boost their confidence.

The seminar also included an interactive session where students had the opportunity to pose questions and seek advice from the experienced speaker. This event served as a bridge between academic learning and real-world application, preparing students for building good communication skills. The session was ended with vote of thanks.

This is to inform all B. Pharmacy and Pharm D students that we have a session on "English speaking skills" by P. Anuradha Reddy Retd. Professor Osmania University on 9th Sep 2019 at 11:00 am at Seminar Hall. Hence all the students are hereby informed to attend the session and utilise the opportunity without fail.

Report:

Topic: English speaking skills

Date: 9th Sep 2019 at 11:00 am

Speaker: P. Anuradha Reddy Retd. Professor Osmania University

Seminar on English speaking skills was held on 9th Sep 2019 at RBVRR Women's college of Pharmacy was a great learning experience for students to improve their English speaking skills. P. Anuradha Reddy explained use of simple English for improving their communication. She made the students to express their views by conducting small sessions with students which included group discussions, JAM sessions. This helped students to learn English usage in practical manner and build their confidence.

The seminar also included an interactive session where students had the opportunity to pose questions and seek advice from the experienced speaker. Students who were weak in speaking have asked tips for improving their language and also writing in English. This session also helped students preparing for higher studies abroad to improve their speaking skills. This event served as a bridge between academic learning and real-world application, preparing students for building good communication skills. The session was ended with vote of thanks.

2018-19

CIRCULAR

This is to inform all B. Pharmacy and Pharm D students that we have a session on "Communication skills" by Dr. Smitha Roy, Former head, Dept of English, O U on 23rd Aug 2018 at 11:00 am at Seminar Hall. Hence all the students are hereby informed to attend the session and utilise the opportunity without fail.

Report:

Topic: Communication skills

Date: 23rd Aug 2018 at 11:00 am

Speaker Dr. Smitha Roy, Former head, Dept of English, O U

A session on " Communication Skills" was held on 23rd Aug 2018 at RBVRR Women's college of Pharmacy was a practical experience for the students pursuing Pharmacy. Dr. Smitha Roy gave the importance of communication and shared some tips how to express one's views with good communication. She made the students to express their views by conducting small talk sessions with students which made them to improve their skills.

The seminar also included an interactive session where students had the opportunity to pose questions and seek advice from the experienced speaker. This segment enhanced the engagement and allowed for a more personalized learning experience. This event served as a bridge between academic learning and real-world application, preparing students for a promising future in the pharmaceutical sector. The session was ended with vote of thanks.

LIST OF STUDENTS PARTICIPATED

2022-23

CIRCULAR

This is to inform all the students and staff that we have a Yoga Session at 10:30 am on 21st June 2023. Hence all the students and faculty are hereby informed to attend the session and utilise the opportunity without fail.

Report:

International Yoga day was celebrated this year by performing yoga asanas. Yoga is an ancient practice originating in India that encompasses physical, mental, and spiritual disciplines aimed at achieving harmony and balance within oneself and with the surrounding environment. The word "yoga" is derived from the Sanskrit word "yuj," which means to unite or join.

Yoga involves various techniques, including physical postures (asanas), breathing exercises (pranayama), meditation (dhyana), and relaxation techniques, all of which are designed to promote overall well-being. The practice of yoga is holistic, addressing not only the body but also the mind and spirit.

There are several types of yoga, each with its own emphasis and approach. Some popular forms include:

1. Hatha Yoga: Focuses on physical postures and breathing techniques to align the body and mind.
2. Vinyasa Yoga: Characterized by flowing sequences of poses coordinated with breath.
3. Ashtanga Yoga: A dynamic and physically demanding practice involving a set series of poses performed in a specific sequence.
4. Bikram Yoga: Consists of a series of 26 poses practiced in a heated room to enhance flexibility and detoxification.
5. Kundalini Yoga: Focuses on awakening the dormant energy within the body through breathwork, chanting, and dynamic movements.
6. Restorative Yoga: Involves gentle poses supported by props to promote relaxation and stress relief.

Yoga is not only a physical exercise but also a way of life that promotes self-awareness, mindfulness, and compassion. Regular practice of yoga has been associated with numerous health benefits, including improved flexibility, strength, balance, stress reduction, and mental clarity.

Ultimately, yoga offers a path towards inner peace, self-discovery, and a deeper connection to oneself and the world around us.

This session was conducted for 45 min for 3 batches each batch consisting of 50 students/staff

**2021-22****CIRCULAR**

This is to inform all the students and staff that we have a Yoga Session at 10:30 am on 21st Jun 2022 at ground floor. Hence all the students and faculty are hereby informed to attend the session and utilise the opportunity without fail.

Report:

RBVRRWCP observed International Yoga Day on 21 June 2022. On this occasion, we conducted a yoga class for faculty and students. Our Principal, Prof.M. Sumakanth addressed the gathering on this occasion and spoke about the importance of Yoga for the body and mind. Mr. Ram Mohan Rao, Zonal Chief, Hari Om Zone, Bhartiya Yog Sansthan, Hyderabad, highlighted the benefits of yoga for inner peace, tranquility along with the physical benefits it entails. Post inaugural, a 45- minute yoga session in accordance with the International Yoga Day Yoga protocol proposed by the Ministry of AYUSH was carried out for students batch wise of 50 members each for 3 batches. After this, the participants were introduced to the theoretical aspects of yogic science by Mr. Ram Mohan Rao, which was followed by practice sessions of various yoga postures and ended with the practice of pranayama. The class began with a brief centring exercise, allowing participants to ground themselves and set intentions for the practice. The instructor then led the group through a series of asanas (yoga postures), focusing on alignment, breath awareness, and mindful movement. The sequences incorporated a blend of dynamic flows and static holds, catering to different levels of flexibility and strength. The instructor seamlessly guided transitions between poses, offering modifications and adjustments as needed to ensure safety and accessibility for all participants. Throughout the class, emphasis was placed on synchronized breathing techniques (pranayama) to deepen the practice and cultivate a sense of inner calm. Periods of guided meditation and relaxation were interspersed between sequences, allowing participants to experience moments of stillness and introspection. The class was themed around the concept of balance, both physically and mentally. The instructor encouraged participants to find equilibrium in their bodies and minds, exploring the interconnectedness of breath, movement, and awareness.

Conclusion: Overall, the yoga class provided a rejuvenating and enriching experience for participants, fostering a sense of connection, vitality, and well-being. The instructor's expertise, combined with the harmonious flow of sequences and the inclusive atmosphere of the studio, contributed to a memorable and transformative yoga session.

CIRCULAR

This is to inform all the students and staff that we have a Session on “Life style guidelines for promoting immunity during COVID” by Dr. Rachana Verma, Progressive yoga at 10:30 am on 12th May 2022 at ground floor. Hence all the students and faculty are hereby informed to attend the session and utilise the opportunity without fail.

Report:

Introduction:

Dr. Rachana Verma, a renowned yoga and wellness expert, emphasizes the holistic approach to immunity, focusing on lifestyle factors such as nutrition, physical activity, stress management, and sleep quality. These guidelines aim to empower individuals to optimize their immune function naturally. The report offers comprehensive lifestyle guidelines recommended by Dr. Rachana Verma of Progressive Yoga to bolster immunity during the COVID-19 pandemic. With the ongoing global health crisis, maintaining a strong immune system is paramount for overall health and well-being. She Focussed on

1. **Nutrition:** A balanced diet rich in fruits, vegetables, whole grains, lean proteins, and healthy fats forms the foundation of a robust immune system. Dr. Verma recommends incorporating immune-boosting foods such as citrus fruits, leafy greens, turmeric, ginger, garlic, and probiotic-rich foods into daily meals. Adequate hydration and limiting processed foods, sugars, and alcohol are also emphasized.
2. **Physical Activity:** Regular physical activity, including yoga, aerobic exercises, and strength training, plays a vital role in strengthening the immune system. Dr. Verma advocates for at least 30 minutes of moderate-intensity exercise most days of the week, along with mindful movement practices to promote flexibility, circulation, and overall vitality.
3. **Stress Management:** Chronic stress can weaken the immune system and increase susceptibility to illness. Dr. Verma emphasizes the importance of stress management techniques such as yoga, meditation, deep breathing exercises, and mindfulness practices to reduce stress levels and promote relaxation. Prioritizing self-care activities and fostering positive social connections also contribute to emotional well-being.
4. **Sleep quality:** Adequate sleep is essential for immune function, repair, and regeneration. Dr. Verma recommends aiming for 7-9 hours of quality sleep per night, establishing a consistent sleep schedule, creating a relaxing bedtime routine, and optimizing sleep environment for restful sleep. Limiting screen time, caffeine, and stimulating activities before bedtime can enhance sleep quality.

Conclusion: Adhering to these lifestyle guidelines outlined by Dr. Rachana Verma can significantly bolster immunity, reduce the risk of infection, and promote overall health and resilience during the COVID-19 pandemic. By adopting a holistic approach to well-being that

2020-21

CIRCULAR

This is to inform all the students and staff that we have a Yoga Session at 10:30 am on 21st Jun 2021 through online mode. Hence all the students and faculty are hereby informed to attend the session and utilise the opportunity without fail.

Report:

International Yoga day was celebrated this year by performing yoga asanas virtually through Zoom online Platform. The Yoga instructor Chandrakala emphasized more on the mudras and asanas that are helpful for boosting immunity and combating COVID - 19.

She said that Yoga and breathing exercises have shown significant potential in positively impacting health, particularly in the context of managing and improving outcomes during the COVID-19 pandemic. She also said that there are numerous benefits by practicing yoga daily.

- Stress Reduction and Immune Support:
 - Yoga, with its emphasis on mindfulness and controlled breathing, has been proven to reduce stress levels. Chronic stress can weaken the immune system, and by mitigating stress, yoga may contribute to better immune function. This is particularly relevant in the context of COVID-19, where a robust immune response is crucial.
- Respiratory Health and Lung Capacity:
 - Breathing exercises, a fundamental aspect of yoga, focus on controlled and deep breathing patterns. These exercises can enhance respiratory function, strengthen respiratory muscles, and improve lung capacity. Given that COVID-19 primarily affects the respiratory system, maintaining optimal lung health is vital.
- Inflammation Reduction:
 - Some studies suggest that regular practice of yoga may contribute to the reduction of inflammatory markers in the body. Inflammation plays a role in the severity of COVID-19 symptoms, and mitigating inflammation can potentially aid in better health outcomes.
- Enhanced Mental Well-being:
 - The mental health benefits of yoga, including reduced anxiety and depression, can be crucial during a pandemic. The psychological impact of COVID-19, including isolation and uncertainty, can be alleviated through practices that promote mental well-being.

**RBVRR Women's College of Pharmacy
(CC No: 1706)
Barkatpura, Hyderabad-500 027 (TS)**

- Improved Sleep Quality:
 - Yoga has been linked to better sleep quality. Adequate and quality sleep is essential for overall health and plays a role in supporting the immune system. Given the importance of immunity in combating infections, including COVID-19, good sleep is a valuable asset.
- Accessible at Home:
 - One of the advantages of yoga and breathing exercises is that they can be practiced at home with minimal equipment. This accessibility is particularly beneficial when external factors, such as lockdowns or restrictions, limit other forms of physical activity.

While yoga and breathing exercises offer potential health benefits, it's essential to emphasize that they are complementary approaches and not substitutes for medical interventions. Individuals, especially those with underlying health conditions, should consult healthcare professionals for personalized advice. Integrating yoga into a holistic health regimen can contribute positively to overall well-being, potentially supporting individuals in their journey to better health, including during the challenges posed by COVID-19.

CIRCULAR

This is to inform all students that we have a session on "Wellness of she" by Dr. Shantha Kumari, Gurunanak Cae Hospitals, Musheerabad, Hyderabad at 3:00 PM at Seminar Hall. Hence all the students are hereby informed to attend the session and utilise the opportunity without fail.

Report:

Topic: Wellness of She

Date: 10th March 2020 at 3:00 PM

Speaker: Dr. Shantha Kumari, Gurunanak Care Hospitals, Musheerabad, Hyderabad

A session on Wellness of She was organised at RBVRR Women's College of Pharmacy, which mainly focussed on menstrual hygiene Dr. Shanta kumari who is renowned gynaecologist explained the students regarding the various menstrual problems which are faced by most of the women. She also said that regular check-ups are very important to prevent these problems.

She added that everyone should maintain proper menstrual hygiene.

The seminar also included an interactive session where students had the opportunity to pose questions and seek advice from the speaker. Students found the session very informative The session was ended with vote of thanks.

CIRCULAR

This is to inform all the students and staff that we have a Yoga Session at 10:30 am on 21st Jun 2020 in Seminar Hall. Hence all the students and faculty are hereby informed to attend the session and utilise the opportunity without fail.

Report

Yoga is an ancient physical, mental, and spiritual practice originated in India. The word "Yoga" derived from Sanskrit root 'Yuj', meaning 'to join' or 'to yoke' or 'to unite' symbolizing the union of the body and consciousness. Historical evidence suggests that Yoga has its origins from the Indus Valley Civilisation. According to popular belief, a Sage named Patanjali, is the Father of Yoga said that Yoga's incorporation of meditation and breathing can help to improve a person's mental wellbeing. In the words of renowned Pulmonologist, Dr.Nevins Kishore: "Yoga increases the body awareness, relieves chronic stress patterns, relaxes the mind ; centers attention and sharpens the concentration ". On the occasion of International Yoga Day a yoga session was organised which aims to spread the awareness of the benefits of practicing yoga worldwide. RBVRR Women's College of Pharmacy, Barkatpura, Hyderabad, celebrated 5th International Yoga Day by inviting Sri Narender Singh Walia, President Bharatiya Yoga Samsthan, Sri K. Ram Mohan Rao, Zonal In charge, Sri B.S.N. Murthy, Anand Nagar center Incharge of Bharatiya Yoga Samsthan on 21st June 2019. The participants (students and staff) were taught the Asanas and Pranayama and the importance of yoga in daily life.
