PRINCIPAL'S MESSAGE

Greetings from RBVRR Women's College of Pharmacy !!

It gives me immense pleasure and a sense of pride to mention that our college has crossed major milestones in its journey with **"NBA Accreditation"**, **"Recognition as Research Centre"**, **certification from "Institute Innovation Council"** and **"inclusion of the college under Section 2(f) of the UGC Act 1956"**. It has been a primary endeavour of our institution to prepare the girl students to acquire professional competencies in multiple domains of pharmaceutical sector and prepare them to be industry ready. The college provides an excellent ambience and learning environment equipped with necessary infrastructure, learning resources like laboratories, Class rooms and a well established digital library.

Women are indispensable for the progress of any nation as they play a catalytic role towards achievement of transformational, economical and sustainable development. To empower women, is to enable them to exercise control over the decisions that affect their lives both inside and outside the house. Through their empowerment, women gain greater share of control over resources and it gives them the power of decision making in the home, community, society and nation. I am extremely proud of being a woman.

Holistic education, all round development and multidimensional thinking are the hallmarks of our education system as we strongly believe that education should enable and explore the powers of human mind and spirit. We believe in providing our students an environment, rich in knowledge and supportive for their co-curricular and extra-curricular interests. The college has a tradition of excelling in sports and extracurricular activities, in which our students

continue to bring us laurels and various other student centric activities undertaken ,enrich them physically, mentally, socially and intellectually.The success in all spheres is the combined outcome of all our little efforts.

It is indeed gratifying to look back at the achievements and accomplishments both scholastic and co scholastic besides the infrastructure of our institution . Students have brought laurels to our institution through their phenomenal academic achievements .

I feel proud to acknowledge the contribution of highly qualified, dynamic and talented faculty, hard working non-teaching staff and my dear students for this. We have to continue to move ahead for nurturing and maintaining the best. Our teachers work hard throughout the year with the students to provide them high quality educational experience in the form of debates, group discussions, workshops, symposia, seminars and cultural competitions. Eminent personalities are invited from all walks of life to address our students and expose them to new ideas and thoughts.

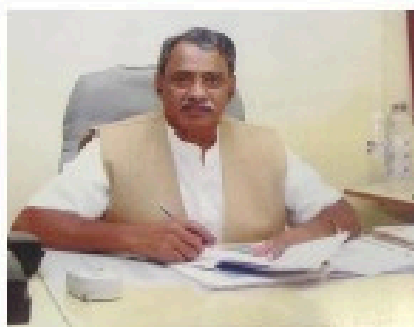

**“MANY OF LIFE’S FAILURES ARE PEOPLE WHO DID NOT REALIZE HOW
CLOSE THEY WERE TO SUCCESS WHEN THEY GAVE UP”**

---THOMAS A EDISON

My best wishes to the new students of this College.

(Prof. M. Sumakanth)

SECRETARY'S MESSAGE

RBVRR Women's College of Pharmacy managed by The Hyderabad Mahila Vidya Sangham (HMVS) a Non Profit Organization which has a history of 92 long years of service in Woman's Education. HMVS believes in imparting quality education based on ethics.

RBVRR Womens College of Pharmacy was established in 2006, and successfully completed fourteen years (14-Yrs) in its service. The primary endeavor of the institution is to nurture the students to be industry ready and prepare them to best Pharmaceutical Professionals.

I am happy to note that RBVRR Women's College of Pharmacy is following the ideals of integrated learning by giving opportunities to students to develop their personality through different extracurricular activities.

It gives me great pleasure to note that the College is steadily achieving greater heights. This has been possible largely due to dynamic leadership of Prof. M. Sumakanth, the Principal and dedicated Teachers of the College. I congratulate them for achieving "NBA Accreditation", recognition as "Research Centre", "Certification from Institute Innovation Council" and inclusion of "The College under Section 2(F) of the UGC Act, 1956".

I deem it my pleasure and privilege to extend a warm and affectionate welcome to all the Students, who have chosen the College to pursue their Studies in to the family of RBVRR Women's College of Pharmacy.

INTERNATIONAL YOGA DAY

Yoga is an ancient physical, mental, and spiritual practice that is said to have originated in India. The word “Yoga” derived from Sanskrit root ‘Yuj’, meaning ‘to join’ or ‘to yoke’ or ‘to unite’ symbolizing the union of the body and consciousness.

Historical evidences suggest that Yoga has its origins from the Indus Valley Civilization. It is believed to have been in practice since age immemorial and it has been mentioned in several ancient sacred Indian scriptures. According to popular belief, a Sage named Patanjali, is the Father of Yoga. It is said that Yoga's incorporation of meditation and breathing, can help improve a person's mental well being . In the words of renowned Pulmonologist, Dr. Nevins Kishore: "Yoga increases the body awareness, relieves chronic stress pattern, relaxes the mind ; centers attention and sharpens the concentration ".

The International Yoga day aims to spread the awareness of the benefits of practicing yoga worldwide. RBVRR Women's College of Pharmacy, Barkatpura, Hyderabad , celebrated 5th International YogaDay by inviting Sri Narender Singh Walia, President Bharatiya Yoga Samsthan, Sri K. Ram Mohan Rao, Zonal In charge, Sri B.S.N. Murthy, Anand Nagar center Incharge from Bharatiya Yoga Samsthan on 21st June 2019.

The participants (students and staff) were taught the Asanas and Pranayam and importance of yoga in daily life. Sri B.S.N. Murthy delivered a speech on personality development stating the importance of setting goals and execution. He also stated that synchronization of mind and body can be achieved through practicing yoga. The event was a grand success with a participation of 120 members.

FACULTY PARTICIPATIONS AND PRESENTATIONS

Dr. A. Krishna Sailaja

- Attended 4th international conference on nanomaterials ICN 2019, Mahatmagandhi University, Kottayam on 12-14th April as an **invited speaker** and delivered lecture on "Preparation and characterization of methotrexate nanoparticles by nanoprecipitation technique"
- Attended as a **plenary speaker** to an International conference on biotechnological advances in medicinal plants and natural products " on 19th and 20th september 2019 in Garden city University, Bangalooe and presented a talk on "Development of herbal formulations based on novel drug delivery approaches
- Attended as a **plenary speaker** to an International conference "International Forum on physics, chemistry and allied sciences on 27th and 28th Elluru and presented a talk on" Formulation and evaluation of letrozole nanoparticles and determining its anti-cancer activity by M8TT assay.
- Attended as a **Plenary speaker** to an International conference in December 02-03, 2019 Bangkok, Thailand. Organized by Inovine Conferences on 2nd and 3rd December 2019 delivered the talk on" The effect of particle size upon delivery of drug in formulation"

Dr. G. Uma Rani

- Presented poster entitled" overview on temperature sensitive liposomes" in Dravyak 2019 on 13th and 14th nov 2019 at Getanjali college of pharmacy,hyderabad

Dr. Tripura Sundari

- Hands on Workshop on Pharmacogenomics from 5-11-19 to 8-11-2019
- Invited as a resource person to talk on “ Formulation and evaluation of Alcohol resistant dosage forms of Quitiapine fumerate”, World Reseach Forum, International

Conference on Medical, Biological and Pharmaceutical Sciences, July1-2, 2019, New York.

- Presented oral presentation on Formulation And Evaluation of Clopidogrel Nanoparticles By Various Polymers at 71- IPC, Chennai.

Dr. J. Archana

- Hands on Workshop on Pharmacogenomics from 5-11-19 to 8-11-2019

Dr. K.V.Ratnamala

- Formulation And Evaluation Of Sustained Release Matrix Tablets of Bosentan Monohydrate Using Thermal Sintering Technique Presented atInternational workshop on "Translational Research Strategies for Drug Discovery and Clinical Development" organized by CRC Workshops held on 20-21, 2019 July, in Hyderabad.
- Acted as a speaker for the InternationalConference on “Pharmacokinetics in Academics and Research” on 23rd and 24th September 2019 held at KL University,Vijayawada.
- Pharmacokinetics in Academics and Research. Date: 23-9-19 to 24-9-19
- Translational Research Strategies for Drug Discovery and Clinical Development from 20-7-19 to 21-7-19.

Dr. M. Vijaya Bhargavi

- Presented a poster “Molecular docking, synthesis and biological activity of novel 2, 5-substituted imidazole derivatives” during National Conference on “Drug innovations and Discoveries: Inquisitive Technologies (DIDIT-2K19) held by University college of Pharmaceutical sciences, Palamuru University on 20 th July 2019.

Dr. K. Sruthi:

- Presented Oral Paper on “In silico studies, Synthesis and Antimicrobial Evaluation of some new Imidazo[1,2-b]pyridazine derivatives” organized by University of Pharmaceutical Sciences, Palamuru University during 19-7-19 to 20-7-19.
- Pursued Online Refresher Course in Pharmacy for Higher Education from IIT-BHU during 18-10-2019 to 15-01-20
- QIP programme on “Emerging Computational Tools in Drug Design and Drug Discovery” Organized by Department of Pharmaceutical Engineering & Technology, Indian Institute of Technology (BHU), Varanasi held during 03-09 October 2019.
- Attended Two Day National Seminar on “Changing Pedagogy in Chemistry Teaching” Organized by Royal Society of Chemistry (London)- India Deccan Location Section in association with RBVRR Women’s College on 7th & 8th August 2019.
- Attended One Day National Workshop on “Management of Intellectual Property In Academia-Industry Collaboration” Organized by NIPER, Hyderabad on 25th April 2019

Dr. Bayya Subba Rao

- Three Day Workshop on "Recent Trends in Formulation Design & Bioanalytical Estimations" 29-03-2019 to 30-03-2019

LIST OF CERTIFICATE COURSES ATTENDED BY FACULTY

Dr. M.P.Kusuma

- Pharma Innovations for Better Perspective in Health Care (PIBPH-19): from 10-6-19 to 22-6-19 Organized by Malla Reddy College of Pharmacy.

Dr.G.Umarani

- Completed 15 weeks 4 credit course on "Academic writing" conducted by Swayam,MHRD july-oct 2019.
- Completed 4 credit course on "Industrial pharmacy-I" conducted by Swayam,MHRD july-oct 2019

Dr. K. Sruthi

- Online Refresher Course in Pharmacy for Higher Education, from 18-10-2019 to 15-01-20 organised by IIT-BHU
- Emerging Computational Tools in Drug Design & Discovery (ECTD3): from 3-10-2019 to 9-10-2019.

Mrs. G.R. Prasanna Laxmi

- Pharma Innovations for Better Perspective in Health Care (PIBPH-19): from 10-6-19 to 22-6-19

Dr. G. Uma Rani:

- Attended one week faculty development programme on advances in phytomedicine during 29th april to 4th may 2019 held by Anurag group of insititutions ,Hyderabad.

Dr. M Vijaya Bhargavi:

- Attended 15 days FDP on Pharmaceutical Regulatory Affairs and Intellectual Property Rights from 1-8-19 to 14-8-19, JNTU, Hyderabad.

Dr. K. Bhavyasri

- Attended 15 days FDP on Pharmaceutical Regulatory Affairs and Intellectual Property Rights from 1-8-19 to 14-8-19, JNTU, Hyderabad.

M.Harshini

- Successfully completed FDP on “Current Trends in Teaching & Research in Pharmaceutical Sciences” by Geethanjali College of Pharmacy 8th-13th April, 2019

P. Archana

- Successfully completed FDP on “Current Trends in Teaching & Research in Pharmaceutical Sciences” by Geethanjali College of Pharmacy 8th-13th April, 2019
