## About the College

The College was established in the year 2006 by the "Hyderabad Mahila Vidya Sangham" to provide education to girl students. The college is self-financed, approved by PCI, and affiliated to Osmania University. The College is organizing seminars, guest lectures and workshops in various disciplines which is a continuous process to impart knowledge and skills necessary for Pharmaceutical Education, Research and Development

## Vision

To be a national Women Pharmacy professional leader in transforming lives through innovative, vigorous and compassionate approach to Pharma education

## Mission

RBVRRWCP preparing and empowering girl students by providing continuous awareness programmes to succeed in changing world apart from regular curriculum

## About the FDP

The FDP aims to empower educators with knowledge, skills and innovative teaching practices required to shape next generation professionals in alignment with India's vision of becoming a developed nation by 2047. This FDP provides a platform for faculty members to explore emerging trends in Education, Research Methodology and academic leadership.

### Objectives:

- To enhance the pedagogical and teaching skills of faculty members.
- To encourage innovation, entrepreneurship and intellectual property awareness among faculty
- To develop leadership and professional skills among faculty for academic excellence.
- To familiarize educators with emerging technologies
- To align teaching and research practices with national policies
